

Single batch procurement

Casestudy

Background

- Client required over product for 20 different countries
- Standard of care product – not being blinded

Procurement

- Durbin sourced all products direct from Innovator
 - Organised production of drug in differing label
 - Central delivery to Durbin

Storage

- Durbin stored all goods and dispatched on a just in time basis

Distribution

- Durbin supplied to regional hubs to integrate with IMP distribution

Client benefits

- Client gained significant savings
- Client only had to deal with one vendor
- No pass through costs at hospital – cost control increased
- Security of supply across all countries
- Minimisation of site storage and waste
- Client did not have to organise distribution
- Significant cost savings

Durbin your trusted partner for clinical trial comparators
